## Equipment Rental Calculator

1. Rental periods consist of 2, 5, and 7 day blocks.
2. Determine the number of days the equipment will be rented.
3. Enter the number of days in the Estimated Rental Time box below.
4. Select the equipment you would like to rent by checking the box to the left of the equipment.
5. The estimated total cost for the equipment rental will then be displayed below in the Total Rental Fee box.

**Note:** Pick up/Drop off days are charged at a half days rent. (Applicable to Flail Mower and No-Till Drill only)  
**Note:** The Total Rental Fee is an estimate for your convenience and may not reflect a final cost for equipment use.
