

Free well testing available

The Oregon Health Authority will provide free well testing vouchers to private well users impacted by wildfire.

**Applications Open:
November 1, 2021 – May 15, 2023**

<https://go.usa.gov/xAycC>

Eligibility Criteria

- The property was impacted by the 2020 Oregon wildfires,
- the well water is used for things like drinking, bathing cooking and washing dishes and
- the well is not part of a regulated water system.

Priority Applicants

If demand for well testing vouchers exceeds supply, OHA will prioritize vouchers for:

- Low income
- Communities of Color
- Full time residential homes
- Properties that had the greatest damage
