Stormwater Management

DAY Thursday
DATE Oct 24
TIME 6:30-7:30pm
PLACE NMP Nature Center
COST Free
AGES 18 & Up

Learn the basics of stormwater management including stormwater features, common concerns and resources to get you started in creating your own stormwater solutions. Bring your questions and ideas. A pen and paper for note-taking is recommended. Attendees will also receive hard-copy resources. Pre-register online at www.ashland.or.us/register or call the Nature Center at 541.488.6606.

WHO: Homeowners and landowners who want to protect our watershed

WHAT: Learn about stormwater and how you can manage drainage issues to limit stream pollution

INSTRUCTOR: Kora Mousseaux is the Community Water Resource Conservationist for Jackson Soil and Water Conservation District.
